

Securities Associate Posting (Calgary office)

Fraser Milner Casgrain LLP (FMC) is one of Canada's leading national business law firms with offices in Canada's major business centres. As one of the country's largest law firms, our team is comprised of more than 500 lawyers, many of whom are recognized experts in their fields.

FMC Calgary is currently seeking an associate with 3-5 years experience to join our growing Securities Department

The FMC Calgary Securities Group has recently added several partners and has a growing amount of work. As a truly collaborative team we are looking for candidates who excel in a team environment. We value attention to detail and are looking for bright, diligent associates able to demonstrate good judgment and achieve solid business results for our clients.

The successful candidate will represent Canadian, U.S. and international issuers, underwriters, and other capital market participants on debt and equity securities financings, mergers and acquisitions, corporate governance and public disclosure matters

FMC strives to meet and exceed our lawyer's career development needs and expectations while offering an environment that is engaging, stimulating and collegial.

All interested applicants should forward their resume and cover letter to Cori Ghitter, Director of Recruitment and Professional Development, at Cori.Ghitter@fmc-law.com.
